In case the application is approved:

1st: Quarter (01/01-31/03) The Operational Fee is the same as the Renewal Fee

2nd: Quarter (01/04-30/06) The Operational Fee is the 75% of the Renewal Fee

3rd: Quarter (01/07-30/09) The Operational Fee is the 50% of the Renewal Fee

4th: Quarter (01/10-31/12) The Operational Fee is the 25% of the Renewal Fee

Notes (for PMR & PAMR):

1. Renewal fee (**To**) which is according the use of a channel of bandwidth 12.5 kHz (one frequency) for coverage area equal to the radius circle area 30 km (**Ao**).

2. **Tvk** = **v** * **K** * where:

Tvk: the renewal fee for more than one channel and/or for a different coverage area.

v: number of bandwidth channels 12.5 KHz

K: the next integer corresponding to the ratio A_k/A_o , where A_k is the area of the desired coverage area.
